

CELEBRATING 25 YEARS SINCE THE DEDICATION OF OUR CHURCH BUILDING

September 29th, the Feast of St. Michael the Archangel, marks the 25th anniversary of the dedication of our Church building, and we have big plans.

Join us for an Anniversary Year filled with special events and new opportunities our parish to grow as a community, get reengaged, and come out of this pandemic more vibrant than ever.

Renew

We'll renew our commitment spiritually to St. Michael and physically through our buildings, so we may better serve our mission and reflect our vibrant and faithful community

We'll refresh our campus with updates to our church interior, parking lot, and landscaping.

Refresh

We'll refocus our faith formation and ministries by repurposing the Trinity and Conference Centers.

Refocus

We'll celebrate our history and future with special anniversary Masses and a parish festival.
